TREASURER'S REPORT

The effect of semi-annual tax collection continues to positively impact our cash situation. Cash on hand December 31, 1985 was \$328,000.00 as opposed to \$213,000.00 the previous year. Last year our interest earned on cash reserves was \$200.00 above our borrowing costs. This year that figure has grown to \$8,000.00. In fact, last November and December we operated without any tax anticipation borrowing. The Tax Collector deserves much of the credit for rapidly processing over \$600,000.00 in receipts while we had large school and county payments to meet.

The best thing that happened last year was out independent audit. Basically our financial record keeping system is a cumbersome "horse and buggy" type that we have to make go 60-70 miles per hour to meet the GAAP standards required with sewer project and community development block grant involving federal funds. For instance last year my sewer accounts were a lot of raw data. This year they are set up in an accounting format which meets EPA requirements. The audit procedure is not just a judgement on the veracity of reports, but a set of financial management recommendations. Before last year we had no place to go when we encountered problems. Revenue Administration used to help in this regard, but presently all they seem to do is set our tax rate.

One problem arose this year and that has been the school districts difficulty in forecasting cash needs. They need some advice in this matter, but are not particularly disposed to receive it from me.

Revenue Sharing

December 6, 1985 \$22,000.00 was paid into the Town's General Fund from monies received from the U. S. Federal Revenue Sharing program. Our allocation for the present year is down to an expected \$10,495.00. With expected further federal program cuts; this will probably be the program's last year.

Ira S. Knox (Durgin) Fund

This year four payments were made from the Durgin Fund on authorization of the Board of Selectmen. \$810.00 for three Nute students to attend a Future Business Leaders national conference; \$500.00 was paid to NUte High School Olympics of the Mind; and two payments of \$482.50 and \$2,002.50 to Cartographic Associates for work involved in up dating the town tax map.

The Money Market account 900152 1 earned \$6,754.09 during the year. Checking account #7804827 was closed transferring a \$3,923.49 balance to the main money market account which at year's end had a balance of \$89,594.65.

The Durgin Fund has been growing faster than it is being used. Actually about \$41,000.00 of the \$89,000.00 represents the principal, more than half representing accrued interest. The auditors recommend spending down the surplus to better comply with the terms of the legacy.

Capital Reserve Cruiser Fund

December 20, 1984 a capital Reserve fund of \$2,500.00 was established for the purpose of purchasing a cruiser for the police. Until August 1, 1985 that account earned \$114.78 in interest when the account was closed and transferred to the Trustees of Funds who hold all town reserve funds.

Sewer Project Fund

Phase II of the Milton Sewer Project has been completed for a total of \$338,101.45. The revenues for such work come from Bond Anticipation Borrowing, EPA funding, and interest earned. We are presently carrying a \$250,000.00 Bond Anticipation Note with Bankeast which matures February 14, 1986.

Design: Phase II Expenditures

Architect & Engineering	\$313,450.00	E.C. Jordan
Interest on Borrowing	14,054.45	Bankeast
Phase I bill	8,800.00	Morgenroth Associates
Legal and Fiscal	1,072.00	Cooper, Hall & Whittum
Administrative Expense	725.00	Licenses, audit & office
TOTAL	\$338,101.45	work

Total receipts were from borrowings, EPA funding, and interest earnings for \$342,277.34 leaving a balance of \$4,175.89.

At the time of this report contracts for the sewer and treatment plant are out for bid. It is anticipated that construction on both will begin early this spring. It is quickly becoming apparent that this project is not only monstrously complex and expensive, but will tax our collective patience to see the project through.

Respectfully submitted,

VICTOR JOOS, Jr.

REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

Between July, 1984 and June, 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

RURAL DISTRICT HEALTH COUNCIL, INC. ANNUAL REPORT - 1985

The Rural District Health Council remains a certified home health agency providing skilled nursing, physical therapy, occupational therapy, speech therapy, medical social services, home health aides and homemaker; a comprehensive Hospice program certified by Blue Cross/Blue Shield and G. E. Insurance.

The staff has received additional training to provide Hi-Tech nursing in the homes which could include I.V. therapy and enteral feedings. Because of the DRG's (Diagnostic Related Groupings) in the hospital, patients are not admitted as frequently and hospital stays have been shortened. A 24 hr. answering service with a nurse available 24 hrs. a day, 7 days a week has been implemented with home visits made as indicated.

An elderly maintenance health program funded in part by the State Council on Aging and the Rural District Health Council is provided with 249 patients enrolled in this program, which includes health counseling, medications, monitoring blood pressure, diet teaching and blood testing of diabetes. 563 visits have been pro-

vided with 129 influenza shots given.

The child health program has an enrollment of 588 children from ages 0-6 years. This program includes physical examinations, immunizations, growth and development, counseling with 56 referrals made to other community and state agencies. The program works closely with the school nurses. This year 59 school children received immunizations. There have been 1176 children seen at clinic with 761 home visits made. Within the dental program, funded in part by the Bureau of Dental Health and the Rural District Health Council, there were 299 children seen from the ages of 3-6 years.

A bequest to the Council may be made to further the general purpose of the Rural District Health Council. In lieu of flowers, a memorial donation may be made in memory of a loved one. All gifts to the agency are income tax deductible. The Board of Directors and staff want to thank the families of the following for naming memorial contributions in their names - Gerald Otis, Alice Katwick, Dorothy Regan, Albert Leighton, Karen Gilman, Alice Tufts, Thomas Davis, Forrest Drew and James Pierce.

During the past year, the Council has made for your town 389 skilled nursing visits, 180 therapy visits, 62 home health aide visits, 20 homemaker hours. There have been 49 child health home visits and 93 child health clinic visits.

Get to know us before you need us; when illness hits there's no place like home! For more information call the office at 37 No. Main St., Farmington, N.H. - 755-2202.

DANIEL AND GENEVA LOCKHART TRUST FUND - 1985

Established in December, 1981. A private Trust with the purpose of applying income from the Lockhart estate to assist in funding projects for the betterment of the Milton Community. Specifically included (1) care and disposition of homeless cats, dogs and other domesticated animals; (2) maintenance and/or beautification with flowers and shrubs of the public parks and recreation areas of the Town; (3) other projects deemed worthy by the Trustees.

Annually an appropriate amount of income is added to the Trust's principal to prevent "watering down" of the assets through inflation.

In CY 1985, the Trustees of the Lockhart Trust disbursed funds in the amounts shown below.

\$ 200.00	Membership Children's Museum, Portsmouth. Benefit the Children of Milton
1,116.58	Copier and Supplies at Nute Library for use of the people of Milton.
75.00	Beatrice Morin - Food for last of Lockhart Cats.
835.45	Balance for Milton Recreation Department Toilet Buildings at new ball field (Lockhart Memorial Field)
1,120.00	Cocheco Valley Humane Society, Bills for Town of Milton for care of stray cats and dogs.
1,000.00	Tenneriffe Sports Club - Benefit Building Fund for Community use.
250.00	Milton Mills Animal Protection Society, Inc.

MINUTES OF THE ANNUAL 1985 MILTON SCHOOL DISTRICT
MEETING - MARCH 7, 1985

The Annual Meeting of the legal voters of the Milton School District was held on the above-mentioned date at the Nute High School Auditorium. Meeting was called to order by Moderator Donavon C. Current, presiding, followed by the repeating of the Lord's Prayer and Pledge of Allegiance to the flag.

Article 1. Holly Swope, School Board Member, made the motion, seconded by Walter Caldwell, School Board Member, that the article be approved as read. Scott Berry made the motion, seconded by David McVicar, that the article be postponed temporarily until we discuss Article 6. Motion carried.

Article 2. Walter Caldwell made the motion, seconded by David Buchanan, School Board Member, that the reports of agents, auditors, committees and officers chosen be accepted as printed in the Town Report. Motion carried.

Article 3. David Buchanan made the motion, seconded by Holly Swope, that the article be approved as read. By a count by the ballot clerks of the orange voting cards there was 48 "Yes" votes and 55 "No" votes. Motion was denied.

Article 4. Holly Swope made the motion, seconded by Walter Caldwell, that the article be approved as read. Hervey Tanner made an amendment to the motion, seconded by James Barrett, that a rebid on the new boiler be required. Scott Berry made a motion, seconded by David McVicar, that a vote be taken immediately on Mr. Tanner's motion. Motion passed. Amendment passed. Point of order expressed by Mr. Roddy, Assistant Superintendent of Schools, is that a legal contract exists between School Board and the contractor for replacing the boiler. Scott Berry asked if article is the withdrawal of the money or for purchase of boiler. Point of order by Walter Caldwell stated that the \$5,000.00 is not necessary to purchase the boiler but to get it off the books. Barry Clough, Superintendent, stated that the School Board acted according to law. Mr. Tanner made an amendment to the amendment, seconded by James Barrett, that the word "re-evaluation" instead of a "rebid" be required. Amendment carried. The motion that the School District authorize the School Board to withdraw after July 1, 1985, in accordance with the provision of RSA 35, the sum of five thousand, two hundred seventy-three dollars and seventy-five cents (\$5,000.00 in principal and \$273.75 in interest) from the School District Capital Reserve Fund, established by vote of the 1984 School District Meeting for the purpose of financing repairs and/or replacing the boiler at Nute High School, and requiring a re-evaluation by the School Board of the existing situation, with the results being posted in Mr. Tanner's

office was carried.

Article 5. Walter Caldwell made the motion, seconded by Holly Swope, that the article be adopted as read. Scott Berry made the motion, seconded by David McVicar, that the vote be taken immediately. Motion carried. The motion that the District vote to establish and create a Capital Reserve Fund in accordance with the provisions of RSA 35, as amended, for the purpose of future paving school properties to be held in the custody of the Trustees of the Trust Fund for the Town of Milton; and further, to raise and appropriate a sum of money not to exceed five thousand dollars (\$5,000.00) from the unencumbered balance at the end of the 1984-85 fiscal year for deposit in said Capital Reserve Fund was not carried.

Article 6. Moderator stated that the discrepancy between the Town Report and the Budget Computer Printout is as follows: Town Report shows \$145,080.00 under #1200, Tuition, but should read as the computer printout; namely \$155,106.00. Holly Swope made the motion, seconded by David Buchanan, that the School District raise and appropriate \$1,640,935.00 for the support of schools, salaries of School District officials and agent, and for the payment of statutory obligations of the District. Scott Berry made the motion, seconded by Douglas Shute, that the latter motion be postponed temporarily. Motion was not carried. Virginia Banks made the motion, seconded by David Buchanan, that the consideration of Article 1 be resumed. Motion carried. Douglas Shute made the motion, seconded by Scott Berry, to postpone indefinitely consideration of Article 1. Hervey Tanner stated a Point of Order; namely, a majority vote was in order and discussion could follow. Motion carried.

Article 6 reopened with the main motion being restated with new dollar figure--Holly Swope made the motion, seconded by David Buchanan, that the new dollar figure be \$1,487,321.00. An amendment to the motion was made by Scott Berry, seconded by Robert Srnec, that the budget figure be reduced to \$1,413,306.30 for '85 and '86, which is a 5% increase over last year's budget ('84 and '85). Robert Srnec presented to the Moderator a written request that this amendment be voted by secret ballot. Scott Berry made a motion, seconded by David McVicar, that the vote be taken immediately--2/3 vote required. Motion carried. Results of the secret ballot vote was 88 "Yes" votes and 26 "No" votes. Amendment was carried. The motion that the School District raise and appropriate the sum of \$1,413,306.30 for the support of schools, salaries of School District officials and agents, and for the payment of statutory obligations of the District was carried.

Article 7. Holly Swope made the motion, seconded by Walter Caldwell, that the article be adopted as read. Motion carried.

Article 8. Carl Harriman made the motion, seconded by Scott Berry, that a standing committee be established in regard to a Regional School District and a proposal be submitted. Victor Joos made an amendment, seconded by Holly Swope, that the committee include particular emphasis on Middle School and corresponding administrative unit. Amendment carried. Ronald Peterson made an amendment, seconded by Joan Downs, that a target date of 1990 be set because of the need of some action, and that the School Board appoint no less than five and no more than nine members. Amendment carried. The motion that a standing committee be established to investigate a Regional School District and report annually with particular emphasis on Middle School and corresponding administrative unit with a target date of 1990 and the School Board appointing no less than five and no more than nine members was passed.

Scott Berry made the motion, seconded by Douglas Shute, that an advisory committee with expertise in building maintenance or new building matters be appointed to the School Board. Motion was not carried.

Nancy Drew reported on behalf of the Transportation Review Committee, which was appointed by the Moderator last year, 1984.

Article 9. Hervey Tanner made the motion to adjourn, seconded by Mildred Gilman. Motion carried. Meeting adjourned at 9:58 P.M.

SPECIAL SCHOOL MEETING

September 18, 1985

A special meeting of the legal voters of the Milton School District was held on the above date at Nute High School Auditorium. Meeting was called to order by Moderator, Donavon C. Current, presiding. Pledge of allegiance to the flag was repeated followed by the reading of the warrant by the moderator.

Article 1. Holly Swope made the motion, seconded by David Buchanan, that the School District raise and appropriate \$52,372.00 to be expended for salaries and instructional equipment. By a count of the orange voting cards as counted by the ballot clerks, there were 41 Yes votes and 20 No votes. Motion passed.

Article 2. Holly Swope made the motion, seconded by David Buchanan, that the School District raise and appropriate \$10,000.00 to be deposited in a capital reserve fund for an addition to the Milton Elementary School. Motion was not carried.

Article 3. Robert Rowe made the motion, seconded by Roger Libby, that Article 1 be reconsidered. By a count of the orange voting cards as counted by the ballot clerks, there were 27 Yes votes and 19 No votes. Motion to reconsider Article 1 passed.

Article 1. The School District raise and appropriate \$52,372.00 to be expended for salaries and instructional equipment. Philip Mollica made an amendment, seconded by Judith Gilman, to increase the appropriation by \$3,445.00 to reflect an equitable salary increase for the staff. The amendment to increase the appropriation by \$3,445.00 for a total appropriation of \$55,817.00 to be expended for salaries and instructional equipment passed. The main motion to raise and appropriate \$55,817.00 to be expended for salaries and instructional equipment passed. Sheldon Damon made the motion to adjourn, seconded by many. Motion passed.

Meeting adjourned by 8:35 p.m. and so declared by Moderator Donavon C. Current.

PRINCIPAL'S REPORT ELEMENTARY SCHOOL

The Milton Elementary Schools have, during the past year, continued to review and improve areas of the curriculum. We have concentrated this year on the Language Arts program and are centering our efforts on a total approach encompassing grammar, creative writing, spelling and handwriting.

Our excellent staff has three new additions:

1. Jean Mortimer, speech pathologist, has replaced Miss Anderson as our speech therapist.

2. Hope Washington, an experienced special education teacher, has replaced Mrs. Beauregard in the Resource Room.

3. Linda Hanley, who has had teaching experience in several states, has come to our fifth grade from Alton, N.H.. She has replaced Miss Pothier.

4. Valerie Baron, Lunch Director.

Augenblick funding has allowed us to hire a $\frac{1}{2}$ time physical education teacher who will provide developmental and sequential physical activities which will benefit all of our students.

The faculty and staff have set goals this year which include playground improvements. A successful fundraiser has been completed, and we will later be turning to members of the community to help us install new equipment.

Our special thanks go to the Milton Women's Club for sponsoring the annual essay and art contests, to James Thibodeau, who built and constructed a listening center for one of our classrooms, to Paul Gauthier for construction of a ramp making our building accessible to the handicapped, to Lynne Gauthier and Wayne Butler for serving as OM coaches, to Harold Toy for providing computer instruction, to Ann Tripp and Tammy Folger for help with Chapter I activities, and to Diane Miller and Linda Wentworth for organizing our graduation party.

Our successful Milton Day brought many town citizens in to share their memories with our students. Participants included John Gilman, Charles Logan, Martha Verville, Emma Ramsey, MaryJane Boggs, Rachel Pugh, Reggie Nutter, Bonnie Dunton and Lois Fogg.

We welcome help from any community members who have a little time to donate to our children.

We feel good about our students, faculty, and what is happening in our schools through their efforts. we appreciate those of you who have supported us in reaching our goals.

Respectfully submitted,

LINDA L. PARKIN, Principal

PRINCIPAL'S REPORT NUTE HIGH SCHOOL

1985 has been a year of change and continued achievement for the students at Nute High School.

Fourteen members of the graduating class have chosen to continue their education at a number of prep schools, colleges and universities, while five have entered the armed forces following graduation.

Thad Hall and Tim White earned Old English 'N's awarded annually for maintaining an average of 92 or better in all subjects through the 1984-85 school year. James Marchant, Susan McCallister, Brian White, Allan Chiasson, Karen McVicar, Michelle Lund, Gary Chiasson, Lisa Marchant and Nat Edmonds were recipients of the Presidential Academic Fitness Award for excellence in the classroom.

1985 was a banner year for Nute High School in interscholastic competition. Our Future Business Leaders of America (FBLA) finished first in the annual state-wide competition. Mary Beach, Kerry Buchanon, Laura Banks, Brian White, James Marchant, Sharon McCallister, Michelle Wyatt and Christian Goodale earned individual awards during the conference.

Scott Gaulin, Kevin Sawyer, Eric Slazenik, Vernon Bonar, Nancy Downs and Lisa Garnett represented Nute High School at the Nation-Odyssey of the Mind competition in Maryland after winning their division in state competition.

Lori Ward, Cheryl Brown, Gordon Synder, David Rodrigue, Tim White and Skip Wyatt were chosen to represent Nute in Project SEARCH, a series of advanced study seminars sponsored by the University of New Hampshire for academically talented juniors and seniors.

In sports, the girls volleyball team completed the regular season undefeated at 16-0, and the softball team finished second in the annual state tournament.

As always, we would like to extend sincere appreciation to the individuals and organizations who sponsor scholarships and awards that are presented annually to the outstanding students and athletes of Nute High School and to the people of Milton for their continued support of education in this community.

Respectfully submitted,

SHELDON DAMON, Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the Milton School District:
Enrollment in the Milton Schools as of October 1, 1985, was as

follows:

In a recent report published by the Research and Policy Committee for Economic Development entitled INVESTING IN OUR CHILDREN, BUSINESS AND THE PUBLIC SCHOOLS, recommendations were made for improvements which focus on a "bottom-up strategy". The "bottom-up strategy" stressed the importance of the individual school as the place of meaningful improvements in quality and productivity relative to the learning process. These recommendations stressed the importance of eliminating restrictive regulations from government, strong parental involvement and shared decision-making among students, teachers, administrators and the community served by the individual school. I believe the Milton School System reflects to a very large degree the "bottom-up strategy" recommended in this report. As I review the past year, strong cooperation has existed between staff, administrators, the school board and community.

Progress has been made in funding available for instructional programs, reviewing such areas as social studies and mathematics, expansion of programs for gifted and talented children and computer education and the development and revision of specific school goals. The School Board has also been actively involved in studying the feasibility of a regional school district with adjacent towns.

Investment strategies in education represents another area of recommendations in the report cited above. One of the specific strategies mentioned is a stronger focus on and support for well-designed preschool programs. In an article entitled WHAT'S AHEAD FOR EDUCATION, Harold L. Hodgkinson, former Director of the National Institute of Education, refers to the tendency in modern American society to think in terms of the Norman Rockwell concept of the working husband, the housewife and two school children as the typical American family. Hodgkinson goes on to state that this traditional description of the family unit holds true for only 7% of American households; 14% of American children today are illegitimate, 40% will be living with a single parent by their eighteenth birthday, 30% are latch key children and 15% have physical or mental handicaps. These statistics underscore the importance of publicly funded preschool programs and in particular, kindergarten programs. I urge the voters of the District to consider funding such a program at some point in the future as there is considerable research such as the Ypsilanti Perry Preschool Project, the Minnesota Early Learning Design in Minneapolis/St. Paul and other studies which underscore the importance not only to the child, but to the taxpayer and society, of public preschool education. According to the Ypsilanti Perry Project report, for every \$1,000 that was invested in the preschool program, at least \$4,130 has been returned to society in the form of reduced costs for special education, legal processing for delinquent behavior and increased earnings of participants. Students who experienced the preschool program subsequently averaged 1.8 years of special education, whereas those that did not have it averaged 3.8 years. For every 100 pupils who had the program, 35 dropped out of high school, whereas 55 of every 100 pupils who did not experience the program dropped out. Of those pupils who experienced the program, 38 out of every 100 students attended college or took job training courses while of those pupils without the program, only 21 did so. Clearly, the research underscores the importance of making a commitment to public kindergarten programs.

One of the significant factors in the successful progression of the District last year was the revision of the State Foundation Aid program known as the Augenblick Plan. The successful revision of the State Foundation Aid program brought an additional \$87,881 in much

needed revenue to the School District. In addition to providing necessary tax relief to the property taxpayer, the School Board was able to make major budget increases in the areas of salaries and instructional equipment. There is new legislation, recently introduced during the current legislative session, which would increase the level of funding for the State Foundation Aid program by two million dollars. I strongly recommend all voters of the District contact their representatives in support of the increased level of State funding.

The Summer Institute program continues to offer opportunity to our students to expand their communication and reasoning skills. I believe it is extremely important to continue our commitment to this program as it expands into a regional effort in cooperation with School Administrative Units 21 and 50.

Based on demographic growth patterns and a commitment to provide quality instruction, the School Board, administrators and community representatives are devoting increased time and effort to the long range planning process. In this regard, article 4 of this Warrant deserves your strong scrutiny and consideration. The School Administrative Unit staff stands prepared to assist these efforts and to continue to provide support and assistance in business management, special education coordination and supervision, negotiations, staff development programs and curriculum revision.

I wish to express my appreciation to the members of the School Board for their untiring efforts on behalf of the District and to the School Board members, the principals and teachers for the cooperation demonstrated during the past year.

Respectfully submitted,

BARRY L. CLOUGH
Superintendent
